## The Life Of A Sunflower Seed

Pinkies up for me!

Disclaimer: No, I do not own Hamtaro.

Life of a Sunflower Seed

Grief inside me when I was born,

The leaf next to me was torn

Everyone looked at me unfair,

I was the biggest sunflower seed there

I looked at them with a frown,

But soon I was falling down

Adventures there, adventures here,

But still my home was very near

I was running in the rain,

When a really big disaster came

A fat gray hamster came with a need,

For me, a humble sunflower seed

So he picked me up in his paw,

And decided to eat me raw  
So as I die, I say goodbye,  
To people walking, passing by.  
P not THAT good.... Oh well....
